Chapter 1 by Grace1517

Heart Attack

By Demi Lovato

Putting my defenses up
Cause I don't wanna fall in love
If I ever did that, I think I'd have a heart attack

Never put my love out on the line
Never said yes to the right guy
Never had trouble getting what I want
But when it comes to you I'm never good enough

When I don't care
I can play him like a Ken doll
Won't wash my hair
Then make him bounce like a basketball

But you make me wanna act like a girl

Paint my nails and wear high heels

Yes you make me so nervous that I can't think

You make me glow

But I cover up, won't let it show

So I'm putting my defenses up
Cause I don't wanna fall in love
If I ever did that, I think I'd have a heart attack
I think I'd have a heart attack
I think I'd have a heart attack

Never break a sweat for the other guys
When you come around I get paralyzed
And every time I try to be myself
It comes out wrong like a cry for help

It's just not fair
Pains more trouble than love is worth
I gasp for air
It feels so good, but you know it hurts

But you make me wanna act like a girl
Paint my nails and wear perfume
For you, make me so nervous that I just can't hold your hand

You make me glow
But I cover up, won't let it show
So I'm putting my defenses up
Cause I don't wanna fall in love
If I ever did that, I think I'd have a heart attack
I think I'd have a heart attack
I think I'd have a heart attack

The feelings got lost in my lungs
They're burning, I'd rather be numb

And there's no one else to blame
So scared I'll take off and run
I'm flying too close to the sun
And I'll burst into flames

Closer

by the Chainsmokers ft. Halsey

Hey, I was doing just fine before I met you
I drink too much and that's an issue but I'm okay
Hey, you tell your friends it was nice to meet them
But I hope I never see them again

I know it breaks your heart
Moved to the city in a broke down car
And four years, no calls
Now you're looking pretty in a hotel bar
And I can't stop
No, I can't stop

So baby pull me closer in the backseat of your Rover
That I know you can't afford
Bite that tattoo on your shoulder
Pull the sheets right off the corner

Of the mattress that you stole

From your roommate back in Boston

We ain't ever getting older

We ain't ever getting older

We ain't ever getting older

You look as good as the day I met you
I forget just why I left you, I was insane
Stay and play that Blink-182 song
That we beat to death in Tuscon, okay1

I know it breaks your heart
Moved to the city in a broke down car
And four years, no call
Now I'm looking pretty in a hotel bar
And I can't stop
No, I can't stop

So baby pull me closer in the backseat of your Rover

Chapter 3 by Fanwizard

Staring out my hotel window
Too much on my mind
Maybe we should keep it simple
We don't have to decide

Oh no we don't need to overcomplicate it
Cause I've been here once before don't even say it

Baby please no promises
Cause we won't keep our promises
And I know the consequences
So baby please, baby please no promises

I've never been a fan of heartbreak
So tell me what you want
Take my hands across your body
We don't have to hold on

Oh no we don't need to overcomplicate it
Cause I've been here once before don't even say it

Baby please no promises
Cause we won't keep our promises
And I know the consequences
So baby please, baby please no promises

Cause I've been living only for this moment

And I don't want to let it slip away

I've been living only for this moment

And I don't know how much longer I can hold on

Baby please no promises
